TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Wakefield in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Town Hall in said Wakefield on Tuesday, the seventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

(Polls not to close before six of the clock in the afternoon.)

1. To choose all necessary Town Officers for the year ensuing.

You are hereby notified to meet at the Town Hall in said Wakefield on Saturday, the eighteenth day of March, next, at seven of the clock in the evening to act upon the following subjects:

2. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary to pay Town bills in anticipation of taxes.

3. To see if the Town will raise $2,500.00 to complete the section on Brackett Road between Art Williams' drive-way to so called Brackett Brook. This section is in badly need of repair and used by many people. It is also a school route. (Submitted by petition) (Approved by Budget Comm.)

4. To see if the Town will vote to raise and appropriate the sum of $2,500.00 to be used, as far as it will go, for the reconstruction of the Stage Coach Road beginning at the intersection of the Willey Road and proceeding toward Route 109. (Submitted by petition) (Approved by Budget Comm.)

5. To see if the Town will vote to accept as a Class 5 Highway the road extending from Gage Hill Road through Pike Field (so called) a distance of 900 feet more or less. The road is laid out 50 feet in width with a circle at the end, is tarred and has proper drainage. This road will serve ten (10) lots. (Submitted by petition) (Approved by Budget Comm.)

6. To see if the Town will vote to abandon the access roads – State numbers 110 and 111 – located off the westerly side of Route 16 and consisting of a total of 1.9 miles.

7. To see if the Town will vote to authorize the Selectmen to sell a certain tract or parcel of land described as follows:

Beginning at a granite post set in the ground at the Northerly corner of land being conveyed, land of said Randalls and State Highway 16B; thence in a Southeasterly direction by the said Randalls land a distance of three hundred and twenty (320) feet, more or less, to an iron post and land formerly owned by George Chipokas; thence by the same land in a Westerly direction a distance of seventy-eight (78) feet, more or less, to an iron post and said Highway 16B; thence in a Northerly direction by the said Highway 16B, a distance of three hundred and twenty (320) feet, more or less to a granite post and land of the said Randalls, the point of beginning. This tract of land being in the shape of a triangle. (Submitted by petition) (Approved by Budget Comm.)

8. To see if the Town will vote to raise and appropriate the sum of $40,000.00 to be applied toward the cost of revaluation of the Town by the State Tax Commission. (Submitted without recommendation.) ($16,109.40 approved by Budget Comm.)

9. To see if the Town will vote to raise and appropriate the sum of $1,375.56 to be applied toward the cost of the State Audit of the Town Tax Collector's records. (Submitted without recommendation.) (Approved by Budget Comm.)

10. To see if the Town will vote to raise and appropriate the sum of $185,429.74 to defray Town charges as submitted by the Budget Committee.

11. To take census of the qualified voters whether the Amendments of the Constitution proposed by the 1971 Session of the General Court shall be approved.

12. To transact any other business that may legally come

before said meeting.

Given under our hands and seal, this tenth day of February, in the year of our Lord nineteen hundred and seventy—two.

WILLIAM N. SPARHAWK, JR.
HERBERT F. MACKINNEY
RONALD G. KINVILLE

WAKEFIELD POLICE DEPARTMENT-ANNUAL REPORT FOR 1971

During the past twelve months your Police Department dispatcher logged and received on the Blue Line phone system 1,836 calls. This being an increase of over 25% from the previous years calls which totalled 1,411. Not included in this number are the numerous daily phone calls made direct to the chief and officers on the department at their homes. It would greatly expedite matters if anyone wishing the aid or assistance of the department would use the BLUE LINE number 522-3544.

Calls for Chief personally	454
Information calls	512
Referral to other departments	140
Accidents	72
Complaints	125
Requests for delivery of emergency messages	71
Animal Complaints	82
Reports of Burglaries	68
Thefts	42
Fire Calls	13
Disabled motorists	21
Miscellaneous	236
TOTAL	1,836

There were 141 cases handled by your department in the Ossipee District court, 136 of which were found guilty as charged, and 11 cases were tried in Superior Court;

Driving under the influence	11	Operating without Headgear	6
Unlawful posession of beer	23	Stop Sign & Traffic Lights	5
Malicious damage	6	Driving without License	5
Yellow Line Violation	17	Miscellaneous	32
Speed	28		
Burglary	6		
Reckless Operation	1		
Manslaughter	1		

Frank N. Gray, Chief of Police

REPORT OF THE
WAKEFIELD BUILDING STUDY COMMITTEE

The Wakefield Building Study Committee, established at the March 18, 1971 School District Meeting, makes the following recommendations as its report to the citizens of Wakefield:

That a Building Committee be established at the 1972 school district meeting with the power to retain the services of an architect, and to establish a definite building program and to present plans to the voters of Wakefield as soon as details are finalized.

Considering the present enrollment and the steady growth of the school population, the committee feels that a minimum of a 4 room addition to the Paul School would not only satisfy housing our present enrollment, but would meet the needs of the community for at least five more years. We feel it would be better for all concerned to have all teachers and pupils under one roof for the proper supervision of the educational process.

The Committee made an inspection of the Union School to determine the feasibility of continued use as a supplementary building. It was felt that major alterations would be necessary, including a complete renovation of the toilet facilities; a new well to be dug; pipes replaced in the heating system; storm windows purchased; new shades; a new front door; painting of the interior and exterior; and other miscellaneous repairs. It was the consensus that with the aforementioned repairs the building would still be obsolete and inadequate for the grammar school pupils of the district of Wakefield.

Respectfully submitted,

Stephen Paul	Earl Dodier
John Pratt	Lillian Brown
Hazel MacBrien	Roy Stevens

PARKS AND PLAYGROUNDS

The Parks and Playgrounds Committee attained its primary goal in 1971 with the completion and operation of the new recreation area, the Wakefield Town Beach on Lovell Lake.

The new area with its playground equipment, picnic tables and safe sandy beach received extensive use during the summer months. Sheldon Damon, Lifeguard and Supervisor reported that between 75 and 80 persons used the facilities each day with a total slightly in excess of 4,000 people using the facilities during the summer. Mr. Damon was on duty from 10 to 5 p.m. Tuesday through Sunday from the second week in June through Labor Day.

The rules and regulations governing the use of the facilities will continue during the next season.

1. No dogs allowed in the area at any time. (This is not only for sanitary reasons but for safety purposes as well).

2. Children under seven must be accompanied by an adult. (The primary function of the lifeguard is to supervise the swimming area to ensure the safety of swimmers; He is not a babysitter.)

3. Bicycles and other vehicles are not allowed in the area.

4. Fighting, rock throwing or swearing is prohibited.

5. No glass of any type is allowed on the beach.

6. No littering. Trash containers must be used.

7. The lifeguard or supervisor will be obeyed at all times.

Failure to comply with the above rules will result in expulsion and loss of privileges for an undetermined time.

The committee wishes to take this opportunity to thank those who made our summer recreation areas a success:

Joan Wentworth, supervisor at the
Union Playground

Sheldon Damon, lifeguard—supervisor at the Wakefield Beach, Sanbornville

John McKenny, Jr. who donated a picnic table and a set of parallel bars for the playground

The State Highway Department for its donation of 2 picnic tables.

Ray Randall for his donation of one picnic table.

Gloria Rhodes for her donation of the complete first aid kit.

Bob Palmer for painting out sign and labelling the trash containers.

Especially we thank the citizens of Wakefield young and old alike, for their support and cooperation.

Regretfully, the Committee accepted the resignation of Carroll Shea of Union, Carroll served for 7 years on the Parks and Playgrounds Committee and can never be compensated for the time and effort he has contributed over the years. We're sorry to lose you Carroll.

Respectfully submitted,

Parks & Playgrounds Committee

COMMITTEE REPORT ON EQUIPMENT
TOWN OF WAKEFIELD
For Town Meeting March 1972

This Committee has had three meetings to date. October 1971, with one member absent, Harold Fisher. At this meeting Hazelton's Representative showed us movies on Hough Loaders and Graders, working in snow. The Committee thought that this size equipment was not needed by the Town at this time.

The next meeting, November 26, 1971, with one member absent, Harold Fisher, we discussed:

1. Leasing Equipment
2. Hiring all private contractors
3. Buying new equipment
4. Buying new equipment and hiring private contractors as needed.

We unanimously voted on number 4 and to come back with prices on trucks and loaders and other equipment at our next meeting.

We had our third meeting on Jan. 12 with all members present. We voted to recommend buying:

2 trucks in the size range of International 1800 or its equivalent.
1 new Frink model 43OSK plow with wing and hydraulic control unit.

For 1972, estimated price $20,000.00.

For fiscal year 1973:

1 Allis–Chalmers 840 four wheel drive loader.

Committee: WILLIAM TWOMBLEY, CHAIRMAN
KENNETH LASKEY
HAROLD FISHER
LAWRENCE NASON

C.O.S.T. MEETING
(Committee On Student Transportation)

A meeting was called and the members met at the town hall, Sanbornville, N. H. at 7:45 P. M. on Tuesday Aug. 3, 1971.

The members present were: Mr. Frederick Fisher, Mrs. Maureen Knight, Mr. Douglas Richards, and Mr. Herbert Thwing. One member only, was absent, i.e., Mr. Richard Winton.

With the latest information, to date, from alleged arrangements by the school committee, made available – after a lengthy discussion and full consideration of all pertinent ramifications of the problems and contingencies applicable to the transportation of pupils to the various schools and from and to the diverse areas of residency, it was the consensus of opinion of this committee and full agreement to the end THAT:

1. Inasmuch as the cost (tuition) of sending pupils to Nute High School IS GREATER than the tuition charges or cost of sending them to ROCHESTER HIGH SCHOOL, and Inasmuch as by an allegedly previous vote of the towns–people of Wakefield – ALL high school pupils were to be sent to Rochester High School –

It is openly questioned as to WHY some 67 pupils are being taken to Rochester and SEVENTEEN (17) are taken to Nute High School in Milton ? ?
It is imperative that on the basis of economy, ALL pupils to attend high school should be sent to Rochester High School.

2. It is further suggested and recommended that from a stand point of efficiency and a greater economy that COM–PLETE (ALL) BUSSING of ALL school children (above kindergarten) BE LET–OUT BY PUBLIC BID, AND ON THE BASIS OF 3 YEAR CONTRACT, by the school board, and exclusively to the bidder, who will be completely responsible and will handle ALL THE DETAILS of the bussing problem.

3. It is a well–considered suggestion that FULL–SIZED (large) busses operated on a regular and efficiently

routed schedule can and would handle the bussing problem of ALL the school children in a MORE ECONOMICAL MANNER and with DEFINITE SAVINGS TO THE TAX-PAYERS OF THE TOWN OF WAKEFIELD.

Using the large full-sized busses and covering the different areas – certain considered routes of pupil accommodation were fully studied by the committee (C.O.S.T.) BUT – any actual routes to be employed would be entirely up to the consideration and efficient operation of the busses as operated by the successful (presumably the lowest but reliable bidder for the bussing franchise.

The chief considerations of this committee has been to suggest efficient arrangements for the pick-up and return of pupils, to and from schools, keeping them from their homes for the minimal number of hours: and in a manner reflecting (tax wise) economy of operation and by avoidance of duplication by busses of area coverage.

It is quite agreed that NO REPORT, NO SUGGESTION, NO ARRANGEMENTS can be made that will satisfy or please everyone– but such an honest effort HAS BEEN MADE by this committee, and it is felt that the suggestions and recommendations outlined will reflect advantageously to the taxpayers of the Town of Wakefield.

Per the Committee On Student Transportation

Mr. Douglas Richards — Mrs. Maureen Knight
Mr. Frederick Fisher — Mr. Richard Winton

REPORT OF THE TOWN DUMP COMMITTEE

The following things, we found to be the hard, cold and true facts of the situation that faces our town on the problem of dumping. The only consoling thought, if you could call it that, is that every town, city in the state and even in the nation is faced with the same problem. This we feel, will be our best and biggest hope to your problem and theirs too. We'll explain this a little later.

We must take first things first--the closing of all dumps of our type in 1975. This means the problem will have to be solved and remedied in 1974, only two years away.

We found that there are primarily two methods:

1. Sanitary land fill.
2. Use of an incinerator. There are two types – gas and open–pit incinerators.

Before we explain these systems, we feel it would be best to give you a little idea how large the problem really has become. The national average of waste per person is three to five pounds per week. Sixty–five to seventy–five percent of the waste comes from domestic life, the balance, thirty–two to thirty–five percent from commercial, industry and building material. Glass takes the top honors, holding the biggest percentage, and in New Hampshire, the glass problem is nearly three times that of the national average. The glass consists mostly of beer and tonic bottles.

Now to acquaint you with the sanitary land–fill solution:

It requires about ten acres of land which has to have the proper fiscal requirements:

1. Proper drainage--so run–off will not cause pollution of any type.

2. Plenty of fill soil of proper consistancy to prevent any pollution to the drainage and yet aid the deterioration of covered debris. This system will last eight to ten years if properly maintained.

This system would take ten acres of land at the cost of about two thousand dollars an acre or twenty–thousand

dollars for the land. One bulldozer and operator is also needed. There would have to be a stockpile of loam or fill for the winter months. Of course, there would have to be regular dumping hours. It would cost about five dollars a ton to process. So far, a number of towns in Carroll County that have looked into this system have not been too successful in finding the proper land in the right location—and, of course, this would occur every ten years.

When an area has been filled or finished, it would be about fifteen years before it would be satisfactory for other use.

The gas incinerator system is very costly and not very adaptable for our use.

Open—pit incinerator:

This system incoeperates the use of a large fan which forces air through a series of nozzles over and under the material being burned. This makes for complete combustion which eliminates smoke. The temperature will rise to fifteen hundred to eighteen hundred degrees. After a full day's use, it takes less than an hour to clean out the residue the next morning. This system, if fed forty tons a day would be only up to two—thirds capacity for a two eight—hour shift per day.

The cost of this system would be about fifty thousand dollars for the original installation and equipment of operation. After that, the requirement would be a small amount of electricity and one operator.

This is now being used in Conway and takes care of the neighboring towns and is really working quite satisfactorily after they ironed out a few things.

With either system, one town can work with one or more towns, when feasible. Different methods can be used for getting materials to the pit.

The latest figures that we can give you pertaining to Wakefield are:

	Residents	Seasonal
Population per year	1,434	5,736
Refuse per day	4 tons	16 tons

Cost per day	$14.00	$56.00
Annual cost	$3400.	$6900.
	Total	$10,300.

This committee would like to suggest two things:

1. That a committee be appointed to check with our neighboring towns to see if we can get together on this problem and continue this survey.

2. That, in view of the fact that this will be a must by 1974, we appropriate and raise the sum of $6,000.00 to be put into a Capitol Reserve fund and ear-marked for the dump problem so that we won't be faced with a huge appropriation in the last year.

Signed:

JOHNNIE NASON
ELDEN RICHARDS
Wakefield Town Dump Committee

BUDGET COMMITTEE

SANBORNVILLE WATER DEPARTMENT

Board of Selectmen and
Budget Committee
Wakefield, N. H.

Gentlemen:

In accordance with R.S.A. 38:20 we herewith submit our report for fiscal 1971.

Upon taking office April 1st we found ample justification for an extensive study and revamping of this facility especially the department's financial condition.

Untold bills faced us with the most tragic condition existing in our finances.

During the year 1961 the Commissioners were authorized to construct a new well and subsequently borrowed $33,000.00 from the Wolfeboro National Bank at 4% interest with the principal amount of $2,200.00 due Dec. 15, 1962 to Dec. 15, 1976. There remains $11,000.00 of this bond issue to be paid.

The 1962 issue was paid on time but starting in 1963 the previous administration defaulted on both principal and interest up to and including June 1971. We paid the 1970 default off at that time totalling $2,552.00 being principal and interest. On Dec. 15, 1971 we paid off the current principal and interest in the amount of $2,464.00. On May 3rd 1971 we received a demand from the Wolfeboro National Bond for $1,000.00 being a note issue dated May 13, 1968. We paid this plus $80.00 interest. Also to adjust the interest account for the many years default we were billed on July 31st the sum of $308.00 to balance the interest account. This was paid and at the present time we have restored excellent credit at the Wolfeboro Bank.

Here are some of the other bills left us by the previous administration. July 1970 Wm. J. Vickers for asphalt $58.00, F. H. Smith & Co. of Lynn, Mass. Aug. 17 and Sept. 11, 1970 $223.75. Fred H. Nason leakage repair during the previous administration $160.75. The Rochester Water Dept. $216.25. This bill was received Dec. 1st, 1971 for thawing out pipes in Jan. and Feb. 1971. Although no substantiating bills were in our files we nevertheless paid it. You can see this is the reason for our special assessment.

To clear up another matter the Commission on the advice of Frank Morgenroth Associates of Boston and a summer resident of this town, who we have retained as our authority for replacing the steel pipes throughout the district, recommended we purchase six lengths of 8' inch cast iron pipe and three lengths of 5 inch pipe for reserve. The 8' pipe to be replaced from the Barber Shop east to the Post Office in the event of another leak at these many patched pipes. The cost was $689.70 and it is paid for.

The Commission also authorized the extension of our service to the Forest Hills Estate who must use cast iron pipe, a fire hydrant every 500' and the total cost to be paid by the corporation, namely Robert Duchano Inc.

The Commission will also presently notify each water user with temporary service that said service must be turned over to the Water Commissioners for operation. An article will appear in the precinct warrant authorizing the expenditure of a sum of money for relaying our system. More later. We have done everything within our limited means to bring this water department up-to-date and regardless of adverse criticism from some quarters we shall continue to administer your water dept. on a sound and economical basis.

Earl S. Dodier, Chairman

Carl A. Dodier
Clarence Martin
Commissioners

REPORT
WAKEFIELD LIBRARY
For Year 1971

The Wakefield Library has been open during the past year each Wednesday from 2 to 5. Circulation remains at about the same figure with most of the books being taken out during the summer months.

The libraries in the town cooperate in several ways and books from the Wakefield Library are circulated through the Gafney and Union libraries. Wakefield Library has a large collection of Easy Reader books which are being used, through Gafney and Union Libraries, by the school children.

Gifts of books, magazines or money have been received from the following:

Mrs. Frank Heck
Dr. Frank Heck
Miss Dorothea Morgan
Mrs. Schyler Pike
Mrs. Dale Stewart
Mrs. George Doe
Mrs. Thomas Scirocco
Cynthia Clancy
David Clancy
Mr. and Mrs. Prieault
Mrs. Rollins Brown
Wakefield Woman's Club
Friends of the Library
Mrs. John Trickey

Among the books purchased this year is the reprint of the Carroll County History. We have an original copy of this History which was not permitted out of the library. The reprint may be borrowed.

The State Bookmobile brings a fresh selection of books at approximately three month intervals. The State Library is most prompt and helpful in obtaining special books when requested.

Treasurer

GAFNEY LIBRARY, INC.

Gafney Library is growing in scope and service. There is a steadily increasing number of local patrons with many borrowers from surrounding towns as well as numerous summer visitors.

The personnel and patients at Carroll County Home are serviced weekly by Trustee Alden Young, assisted by Mr. Walter Wentworth. Approximately 750 books are currently in circulation at the Home.

The Library is open one-half hour earlier on Tuesdays and Thursdays to accomodate approximately 175 children from Paul School visiting by grades. Books are also selected and delivered to Union School for children there.

New books purchased during the year numbered 394. These were supplemented by 395 books donated. This makes a total inventory now of 9,505. To accomodate this growth one new bookcase has been installed and two more are on order.

The Bookmobile from the State Library in Concord called three times and we borrowed a total of 3,084 books. We especially appreciated their fine assortment of non-fiction, as this added to the choice available.

Columbia Records again made a fine donation to the Library and the record collection now totals 238. In December a used Stereo Player was donated to the Library by Friends of Wakefield Libraries, so now patrons may enjoy music as they browse.

The library was closed during the week of April 20 for refinishing the floor by Mr. Carroll Shea of Union. This improvement has been noted by many.

At the September Annual Meeting officers were re-elected as follows: President, Mr. Arthur Burleigh; Vice President, Mr. Horace Richter; Treasurer, Mr. Alden Young: Directors, Mrs. Adelaide Hughes and the Rev. Allen W. Clark: Secretary, Mrs. Hazel MacBrien.

Friends of Wakefield Libraries donated $250 to Gafney Library for purchase of children's books. This money was used chiefly for a portion of "The Enchantment of America" State series and fiction at the fourth through sixth grade level.

Gafney Library is open Tuesday, Thursday and Saturday from 2 P. M. to 5 P. M. and 7 P. M. to 8 P. M. excepting holidays. We pride ourselves on our wide range of reading material. If you are in the mood to read, we guarantee satisfaction.

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

LEST WE FORGET – IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalant on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar–holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947, nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a fire–brand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand – a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are are allowed and if they are, put them dead out when leaving.

4. Most important – Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year – 1971 was a favorable year for the con–trol of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

STATE	463 fires	160 acres
DISTRICT	42 fires	16 acres
TOWN	6 fires	5 acres

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE
TENTATIVE SCHOOL DISTRICT WARRANT

To the Inhabitants of the School district in the town of Wakefield qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 7th day of March 1972, at 10:00 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

3a. To choose a Member of the School Board for the ensuing two years.

4. To choose a Treasurer for the ensuing year.

5. To choose Auditors, and all other necessary officers and agents for the ensuing year.

Given under our hands at said Wakefield this 14th day of February 1972.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Wakefield qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 16th day of March 1972, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district.

2. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

3. To choose agents and committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

5. To see if the Wakefield School District will raise $2,538.00 to allow those students now enrolled at Nute High School, Milton, N. H., to continue as Wakefield tuition students until the end of the academic year, June 1975. (Submitted without recommendation)

6. To see what action the district will take to appoint a building committee to make recommendations to the District at a special district meeting. The committee will consist of the School Board and four additional members elected by this meeting. This committee will have the usual authority of a building committee.

7. To transact any other business that may legally come before this meeting.

Given under our hands at said Wakefield this 14th day of February 1972.

REPORT OF THE SUPERINTENDENT AND THE ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and the citizens of Wakefield:

In September, 1971 the schools of Wakefield were organized as follows:

School	Grade	Teacher	Number of Pupils
Paul	1	Mrs. Maxine Chadbourne	23
	2	Mrs. Eleanor Horne	25
	5	Mr. Peter Glasz	20
	5	Mrs. Mary Brown	19
	6	Mrs. Susan Riley*	27
	7	Mr. Robert Vachon	28
	8	Mr. Timothy Long**	32
Union	3	Mrs. Violet Hobbs	25
	4	Mrs. Patricia Hill	23
		Total	222

* Replaced by Randal Simon in January
** Principal

OTHER STAFF MEMBERS

School Nurse	Mrs. Davena DeWolf, R. N.
Teacher Aide	Mrs. Beverly Stevens
Music Teacher	Mrs. Louise Soucy
Remedial Teacher (part time)	Mrs. Gail Feddern (Title I, ESEA, funded)
Custodians	Mrs. Dorothy Pippin Mrs. Ada Dodier Mr. Archie Dodier

Wakefield tuition pupils attending schools outside the district are as follows:

School	Special Education	Grade 9	10	11	12	Total
Spaulding High School		13	24	15	11	63
Nute High School		15	5	4	6	30
Kingswood High School	2	0	2	2	1	7
Farmington High School		1	0	0	0	1
Great Bay School and Training Center	3					3
	5	29	31	21	18	104

As manifested by the above report, the Wakefield schools experienced a 44% turnover in its teaching staff for the 1971–72 school year. In comparison, the state average over the same period was 10–15%. Although the teacher shortage appears to be over, approximately 90% of the applications received are in the areas of Social Studies, English, Psychology, and Philosophy. Conversely, a lack of certified personnel still exists in the areas of mathematics, science, and the early elementary grades.

Since the Paul School was built in 1965, there has been an 18% increase in the elementary population of Wakefield. The original kitchen has been converted into a classroom and all available space is being utilized. A Building Study Committee, established at last year's School District meeting, has been busy assessing the physical needs of the School. Upon completion of their study, a recommendation will be made as to a proper course of action to follow in the future.

By a vote of the Governor Wentworth and Milton School Boards, no new tuition pupils will be admitted to their respective schools in the future. As a result of this action, the Wakefield School Board has unanimously agreed not to ask for another extension on the AREA school contract. Under the terms of the AREA agreement, all students who have completed their sophomore year may finish high school where they are now enrolled. All others must transfer to Rochester for the 1972–73 school year.

The funds available under Title I, ESEA are being utilized for a part time Remedial Reading teacher during the latter part of the 1971–72 school year. Small groups of children are receiving instruction on an individualized basis. The emphasis of the program is on the basic phonetic and comprehension skills. Hopefully, the result will be a better reader and one whose educational interest is stimulated because of a successful learning experience.

There were two statutes enacted by the 1971 legislature which have a direct impact on local school districts. It is now mandatory for all school districts to provide education for the intellectually, emotionally, and physically handicapped. If appropriate programs are not available within the school system, then tuition and transportation costs up to the state average must be paid to an approved school for the handicapped.

Another statute regarding health policies will have an effect on every child in school. The School Board is presently studying a new policy for Wakefield and will release it as soon as it is finalized. One of the requirements is a physical examination prior to entry into the first grade.

Even though the School Board is making every effort within its power to keep increases in school costs at a minimum, there are a number of forces at work over which it has no control. Included in these forces are tuition to other school districts; inflation slowed down, but still in evidence); a decrease in state support due to the recent 12½% reduction in the state education budget; and recent legislation where the burden of financing falls on the local district.

Under attack in New Hampshire is the constitutionality of financing public education through the local property tax. Opponents are claiming that there exists an inequality of educational opportunity for youngsters who live in the so-called poorer districts. However, the alternatives are not that encouraging. Other states are considering a state wide property tax to supplant the local levy, while still others are proposing increases in the broad base taxes already enacted.

In closing we would like to express our appreciation to the citizens of Wakefield, the School Board, the teaching staff and the students for their continued cooperation throughout the school year.

Respectfully submitted,

CHARLES H. MORGAN
Superintendent

KENNETH J. BEAUPRE
Assistant Superintendent

REPORT OF THE PRINCIPAL

To the School Board, the Superintendent of Schools, and citizens of the Wakefield School District, I respectfully submit my annual report.

The Wakefield Schools opened on Wednesday, September 8, 1971 with two-hundred and twenty-two (222) pupils in attendance representing grades one through eight.

Our professional staff consists of nine regular classroom teachers. We also receive the services of a teacher aide, a nurse, a music instructor, and a remedial reading teacher.

The new members of our staff include: Mrs. Mary Jean Brown of Wolfeboro and Mr. Peter Glasz of Rochester teaching grade five, Mr. Randall Simon in grade six, Mr. Robert Vachon of Rochester teaching grade seven, Mrs. Louise Soucy as music instructor, and Mrs. Gail Feddern as a part time remedial reading teacher.

We are also most fortunate to have the full-time services of Mrs. Beverly Stevens as teacher aide.

This year, as before, all children in grades 4, 6, and 8 participated in the state wide testing program sponsored by the State Department of Education. The students were administered the Otis Lennon Intelligence Test and the Stanford Achievement Test. The test results were returned and each parent was given an evaluation report on his child's performance.

Again this year grades one through five are self-contained while grades six through eight work as semi-departmentalized classes.

Under the most capable direction of Mrs. Louise Soucy, the annual Christmas program was quite successful. Our thanks are extended to Mrs. Soucy for the time she devoted to the program.

The intramural "flag" football program proved once again to be quite successful with about forty-five boys from grades five through eight participating.

There are at present about sixty–five children participating in the ski program under the direction of the Moose Mountain Ski School.

National Education week was once again climaxed with an Open House. Our thanks go to the several parents who helped to make the event possible.

Perfect attendance for the 1970–1971 school year was achieved by the following:

Lori Marston
Debbie Palmer
Gail Dodier
Tina Marston
Nancy Hutchins
Alan Swinerton

Respectfully submitted,

F. T. LONG
Principal
